Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

Northern Plains believes people working together can make a difference. Our mission is to organize Montanans to protect our water, land, air, and working landscapes; support a healthy, localized, and sustainable economy in farm and ranch country and in our towns; and build strong grassroots leaders, always considering the next generation.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 483,333 including grants of \$ 0) (Revenue \$ 0)

Fossil Fuel Transition: We petitioned the Office of Surface Mining Reclamation & Enforcement to investigate ongoing violations, finances, and legality of cancelling long-held grazing leases by Signal Peak Energy (owner & operator of a longwall mine in the Bull Mountains). We organized community members and area ranchers to ensure they are well-informed of the mine's activities and have up-to-date information from the Department of Environmental Quality. We successfully challenged the BLM's Resource Management Plan in the Miles City district in east central Montana to demand the inclusion of climate impacts related to coal extraction from the Powder River Basin. We pushed the Board of Oil & Gas Conservation to review the state's bonding levels for oil and gas wells and initiate a rulemaking process to increase bonding amounts to levels commensurate with the cost of responsible clean-up and to apply for significant funding to help with clean-up. Members directly affected by a new methane powered generating facility in Laurel continue to organize against construction of the plant. We engaged the local community and provided information on impacts of the plant through meetings, public rallies, and news coverage. We are taking legal action to clarify responsibility for zoning.

4b (Code:) (Expenses \$ 280,274 including grants of \$ 0) (Revenue \$ 0)

Agriculture, Local Foods, and Healthy Soils: We hosted the annual Montana Local Food challenge that brought together nearly 100 Montanans to learn more about local food and popularize the incorporation of local foods into their meal routines. We built public support for the upcoming Packer and Stockyards Act rulemaking process to be held during 2023. We continued to meet with the US Department of Agriculture and petitioned them to enact two provisions that would restore fairness into the predatory meat packing industry. A front page New York Times story featured Northern Plains' ranching members recounting their work to reform the rigged cattle market system. The print story was followed with an hour long podcast episode which provided an expansive overview of the cattle market corruption framed within the history of one of our founding ranch families. We hosted two Soil Crawl events and one virtual symposium focused on soil health tools and principles. We created a Soil Health Resources page on our website featuring soil resources we've developed over the last seven years. We finished a collaborative effort on the Montana Soil Health Outreach Initiative that outlines the ways Montana could promote soil health and coordinate statewide soil health programming. We will prioritize recommendations in the final report to develop into policy solutions by the 2025 legislative session.

4c (Code:) (Expenses \$ 151,633 including grants of \$ 0) (Revenue \$ 0)

Clean Energy and Climate Change: Since our long-fought victory in passing C-PACE in the 2021 legislative session, eight counties have integrated the ability for businesses to implement energy efficiency measures in a cost-effective way. We are proud to report that Yellowstone County recently approved C-PACE despite early opposition to the program. Three Northern Plains affiliate groups are also working to expand C-PACE implementation into more counties throughout the state. We created a toolkit to help our members and affiliate groups run local campaigns to enable C-PACE, and our affiliate in Livingston, the Yellowstone Bend Citizens Council, created a toolkit for counties looking to utilize C-PACE. Our affiliates in Lewistown and Glendive led resoundingly successful solarize campaigns, effectively increasing residential solar in the state and bringing the benefits (and visual impacts) of solar to Montana's rural communities. We met regularly with rural electric co-op members, managers and board members, to help them move forward on policies to promote transparent, democratic practices within their co-ops and to elevate renewable energy and energy efficiency within their scope of services.

Form 990, Part III, Line 2 - We launched a new affiliate, the Golden Triangle Resource Council, in Great Falls to great fanfare with a standing-room-only crowd, including the mayor, in attendance to learn, join, and celebrate the new organization. We dedicated time and resources to raising awareness and support for the Montana Constitution including forming a committee to work on preventing and deterring proposed legislation aimed at stripping away our rights. We also executed a successful canvass that raised awareness for the Montana Constitution by knocking on over 8,000 doors, making over 3,500 phone calls, and holding over 2,000 conversations.

Form 990, Part VI, Section A, Line 1a - In addition to the Board of Directors, we also have the Organization and Finance Task Force which is authorized to act on behalf of the Board of Directors if decisions must be made before the full board can be convened. The O&F Task Force is composed of officers from the Board of Directors as well as individuals who hold certain positions described by our bylaws. The purpose of the O&F Task Force is to oversee the administration and finances of Northern Plains. The O&F Task Force reports to the Board of Directors on all of its meetings.

Form 990, Part VI, Section A, Line 6 - We are a democratically-operated membership organization composed primarily of members who donate their time and resources to the organization for the purpose of directing and fulfilling program goals. We do not have stockholders or different classes of membership. All members in good standing are eligible to vote for officers and at-large board members annually. All members present at the Annual Meeting can introduce and vote on policy resolutions.

Form 990, Part VI, Section B, Line 11b - This form 990 is prepared by the Director of Finance & Administration, reviewed and edited by the Executive Director and Director of Fundraising, reviewed with the Organization and Finance Task Force, and distributed to the Board of Directors for final review. Upon review by the Board of Directors, the form 990 is also posted on our website.

Form 990, Part VI, Section B, Line 12c - The Board of Directors reviews organizational policies and governing documents, including the Conflict of Interest policy, from time to time. Every board member is issued a guidebook annually that includes several relevant organizational policies, including the Conflict of Interest policy.

Form 990, Part VI, Section B, Line 15 - All members of the Organization and Finance Task Force are asked to complete a written evaluation of the Executive Director annually. The Chair of the Board and the Chair of the O&F Task Force hold a meeting with the Executive Director to conduct a performance evaluation and determine salary adjustments. The Executive Director determines all other salaries within the framework of the board-approved compensation philosophy and salary structure which are made available to all staff and board members. The Executive Director and the O&F Task Force review compensation and benefit surveys for the region periodically to ensure salaries stay within reasonable and competitive parameters.

Form 990, Part VI, Section C, Line 19 - Financial statements are reviewed at every board meeting and at our annual meeting. Any member in good standing may request financial statements, governing documents, or our conflict of interest statement; we do not normally furnish this information to the general public. Our 990 fillings for the last three years are made available to the general public on our website. Governing documents subject to public inspection are made available upon request.

	<p>We brought together a dedicated group of members who were concerned about the potential for amendments to Montana's landmark 1972 constitution. This group developed strategy and educational materials and raised awareness about constitutional threats. We hosted two Lessons from Indigenous Organizing sessions where we heard from Clancy Siversten, First Vice Chairman of the Little Shell Tribe of Chippewa Indians about their food sovereignty program. We also heard from Patrick Yawackie and Regina Mad Plume from the Flathead Nation who founded the People's Food Sovereignty Program, a native-led grassroots organization that promotes food sovereignty and self-determination for tribal members living on the Flathead Reservation. We launched a book club that fosters critical thought and discussion on the topics of systemic racism and building community. Through our Good Neighbor Agreement with Sibanye-Stillwater Mining Company, we continued to watchdog mine expansion activities, ensure traffic safety, and minimize the mine's footprint wherever possible in the Stillwater and Boulder valleys. We continued monitoring the development of Stillwater Mine tailings storage facilities while making recommendations to both the mine and regulatory agencies. As a result of our Good Neighbor Agreement member involvement and input from technical advisors, the Stillwater mine has implemented state-of-the-art satellite-linked survey equipment to measure ground movement and groundwater pore pressure changes for the facilities. Our history project continued its work towards the preservation of the unique stories and perspectives that formed Northern Plains. We produced a book and permanent photo display that helps inform current and future work so that we are not reliant solely on the institutional knowledge of current leadership. We celebrated 50 years of organizing Montanans in June 2022 with an event highlighting Northern Plains' history and successes.</p>	515,705	0	0
